**RESUMPTION OF CLUB  
ACTIVITIES AND MEMBERSHIP FY 21/22**

As we enter the summer months and the Ontario Provincial reopening the club is looking forward to the restoration of Club Activities. Range activities will be commencing as of the 3<sup>rd</sup> July and recreational ATV trails are open for use. Hunting and fishing activities within the Range Training Area are ongoing, adhering to provincial Ministry of Natural Resources seasonal guidance. It is our hope that shortly the restriction on the participation of members who do not belong to the Defence Team will be lifted and we will be able to offer our services to all of our members.

For those members of the club in FY 20/21, please note that your annual dues will be carried over from FY 19/20 into the New Year. Should you wish to remain in good standing within the club, I would ask that you complete the enclosed forms. The annual membership form will confirm your contact details as well as your interest to continue with your membership. The other form is a waiver that is required to be filled out by all members in order for club activities to be properly insured.

By completing and submitting these forms, we can verify that your membership with the club remains in good standing which will allow you full access to the future programming of the club. I would ask that you complete these forms and return electronically to the club's director of membership, Claudio Abascal at [Claudio.AbasalMejia@forces.gc.ca](mailto:Claudio.AbasalMejia@forces.gc.ca). These forms can also be found on the club's website at <https://www.bordenrodandgun.com/forms/>. These forms need to be completed in order to access the Base RTA or participate in Club sponsored events so please submit them quickly.
