

News Bulletin | Bulletin d'informations

Good day all BBRGC members.

Despite the late March snow fall, spring will be there for 2022, same for our activities!!!
So far 2022 is promising to be far better than the past two years. "Fingers still crossed..."

FROM THE PRESIDENT

Please find the attached letter to the general membership. The major points are:

- Recreational use of training is back on and will likely stay that way;
- AGM is on 23 Apr at 1300hrs at the Terra Theatre, maximum participation is encouraged, please send any nominations for associate membership to either PO2 Craft or myself;
- Membership functions will be reverting to the kiosk at Community Recreation, transfer is in the process of happening;
- PSP is levying an administrative fee of 35\$ for those who do not have a PSP Plan membership, this will be on top of club fees. This will be recovered regardless of who administers our membership duties and was voted in by the Base Fund Committee.

LCol Brown
BBRGC President

HUNTING

Shooting Qualification for upcoming hunts are the weekends of April 09-10/23-24 2022

This is the time of year, when we get ready for the upcoming hunting seasons.

All shooting qualifications that took place last year have expired. Therefore, we are all required to qualify for 2022-23 hunting season.

Worry not for we have a plan 😊

We are currently booked for both hunter shooting qualifications and briefings as per normal or possibly a slight COVID modification(s) to achieve the aim of getting us out hunting, masks may still be required but hopefully this is no longer required on base for the shooting qualification dates. The archery qualifications will also run on these dates and the safety briefs will follow the range shoots at the indoor archery range. The firearms shoots will be on Langemark range so arrive NLT 08:00 hours to get your mandatory range safety brief. Please ensure that you are using the weapon(s) that you plan to use for the hunt. If you are not on a team for the hunt, please let your hunting directors know and they will ensure that you get on a team.

To avoid everyone waiting in line to confirm their info at the safety brief we need everyone to submit their info ASAP and NLT April 5 to your hunting directors and we will get the info into the club master list and get the appropriate names into Range Control.

Send this info to the assistant hunting director MCpl Jason Killion at Jason.killion@forces.gc.ca

1. Full first name and last name (no nicknames)
2. Deer license number (if you have one)
3. Team captains name (if you have one)
4. Date of birth
5. Membership #
6. Postal code
7. Outdoor card number
8. Full PAL number and expiry

More info to follow as it becomes available.

Good Luck to all in your 2022 hunts!!!

Thank you to all,
