Attention BBRGC Deer Hunters

Hey all this is just a friendly reminder to all that you Must fill out a Mandatory Deer Hunt Survey form for the MNR annually. This information assists as another tool used by the MNR in setting the harvest number for the following year. Of bigger concern to all of us is that if you do not fill out your Mandatory Report you will NOT be eligible to hunt on Ontario Next year. To avoid this I have contacted the MNR and passed along the concern of some of our club members who were unable to complete this Mandatory Survey/Report. Here is the answer from the MNR:

The unique number is on the post card survey mailed to the client. If the client cannot locate his card, they contact the NRISC (1-800-387-7011) and someone will assist the client in locating the number.

So please just be patient and when you post card survey appears in your mail complete the survey😊 As stated above if you do not receive your card or have misplaced it the number above will get you in a position to complete your survey in time.

Also for the Archers remember that you have 30 days after the end of the hunting season to have your tree stands removed for the field. A failure to do so will be a breach in the policy provided by Base Operations and will result in you have to answer for not getting this done in time and or having restrictions, administrative or disciplinary actions taken against you.

Good luck with your hunting until seasons end and Have a safe and happy Holiday Season

Best Regards

The Hunting Directors of the BBRGC Executive Committee
