

CFB BORDEN  
SMALL GAME HUNTING REGULATIONS

GENERAL REGULATIONS

1. Hunting within the CFB Borden training area is authorized on condition of the following regulations:
  - a. Turkey Hunting. These regs apply to all small game except for turkey. Refer to the CFB Borden Wild Turkey Hunting Regs;
  - b. Licences. Hunters shall ensure they have in their possession all mandatory hunting documents and licenses;
  - c. Attire. Small game hunters shall wear hunter orange (vest and cap) **at all times**. The vest shall cover a minimum of 400 square inches above the waist and be visible from all sides. The garment must be solid and cannot contain open mesh or camouflage orange. Any backpack that is worn must not conceal the hunter orange from being visible on that side. **Hunters caught in the RTA without orange vest and cap will result in an automatic 30-day suspension from the BBRGC;**
  - d. Ammunitions and Pyrotechnics. Hunters finding any type of training ammunitions or pyrotechnics are not to remove the item from the training area. They are to report the item location to Range Control (RC) Ops Centre;
  - e. Alcohol/Cannabis Consumption. The consumption or possession of alcoholic beverages or cannabis is strictly prohibited;
  - f. Canines. No dogs are permitted in training areas;
  - g. Reporting Harvests. Anything harvested on the Range Training Area (RTA) shall be reported to RC the same day it was harvested; and
  - h. Permitted Firearms. Small game may only be hunted with shotguns (including muzzle loading), archery and air/pellet guns. No high powered or rimfire rifles/guns are permitted in the RTA.

RANGE ACCESS REQUIREMENTS

2. Hunters shall comply with the following IOT access the RTA:
  - a. Reporting to RC. Every hunter shall individually report to the RC Ops Centre at the start of each day (or when changing areas) to register and sign for keys to training area gates and vehicle passes;
  - b. Range Access. Hunting will only take place in areas authorized by the RC Ops Centre. During the month of Sept, members may be allowed access to the RTA to scout tree stand locations. When scouting, members shall wear an orange vest and

stay within the boundaries of the one area they have been given permission to scout. Any situation where a hunter is caught outside of their assigned area will result in an automatic 30-day suspension from the BBRGC;

- c. Training Area Gates. When accessing the RTA, members shall enter through the gate closest to their assigned area. Training area gates are only to be accessed by use of gate keys and not by jumping fences or gates. It is every hunter's responsibility to ensure that gates are immediately locked and remain locked after entering or exiting the RTA. Failure to immediately lock RTA gates will result in an automatic 30-day suspension from the BBRGC;
- d. Vehicles and Area Passes. Training area passes must be displayed in every vehicle windshield. Vehicles left outside training area gates that are spotted by RC Patrollers will be reported as suspected trespassers to the MPs;
- e. Briefing and Qualification. All hunters must attend a mandatory annual hunter safety briefing and show proficiency during an annual shooting qualification, with the firearms(s) to be used for the hunt; and
- f. Concurrent Hunting Events. During the CDH and spring turkey hunt, no other hunting is permitted. During the deer archery hunt, the only other hunting that is permitted is fall turkey during the month of October however archery deer hunting takes priority. Turkey hunters can not be in the same area as deer hunters, this mean turkey hunters may be asked to change areas at any time.

### OUT OF BOUNDS AREAS

3. Areas that are placed out of bounds for hunting are:
  - a. Area G (Blackdown), the drop zones in F, FOB A in I-1, FOB B in I-2, Paintball Range in B2, Outdoor Archery Range in C1, Recovery Site in F, and the landfill area in D2;
  - b. All areas depicted on the range training area map in red or within the danger area template (area DA7);
  - c. Hunters are restricted to the boundaries of the one and only area assigned to them by RC, Tree Stand Directors or Hunting Directors. RC always has final authority in area assignments and may change permissions at anytime; and
  - d. In any situation where a hunter is walking or driving in the RTA and sees CAF members conducting training, they shall not drive/walk through or past them. They shall immediately turn around and take the fastest route away from the training.

### LOADING AND DISCHARGE OF FIREARMS

4. The following regulations apply for the loading and discharge of firearms:

- a. It is unauthorized to carry a loaded firearm or discharge a firearm within 8m/26ft (or across) of all city/RTA roads, buildings/structures of any kind or the training area boundary fence;
- b. It is unauthorized to carry a loaded firearm or discharge a firearm within 300m for shotgun and 100m for archery of the Env Canada, Rogers and Bell towers in area J. The Gas Gun Range and the Recovery Site in area F as well as the Fire Fighter Training Area (FFTA on map, adjacent to F), Outdoor Archery Range in C1, the landfill area in D2, and the Paintball Range in area B2;
- c. All firearms (including air or pellet guns) shall be encased, and arrows shall not be notched outside of legal hunting hours (ref para 7. c.);
- d. Hunters shall not shoot at animals in any situation where the firearm is aimed above the hunter's shoulder (parallel to the ground). Hunters shall not aim towards the boundary of their assigned area (into another area or outside the RTA); and
- e. Hunters shall always take note of their surroundings, potential targets **and beyond**. Firearms shall never be discharged without **absolute certainty** that the projectile will not contact or ricochet into something the hunter did not intend to shoot.

#### COMMUNICATION WITH RANGE CONTROL

5. Hunters shall always carry a cellphone on their person, and it shall remain on for the entire duration of their time in the RTA. The number shall be verified with RC when signing in and RC must have the ability to contact all hunters at any time. Failure to maintain communication will result in the hunter being escorted out of the RTA.

#### RECOVERY OF SMALL GAME ANIMAL

6. The following regulations apply for the recovery of lost small game:
  - a. Outside Hunting Areas. If the animal travels into any danger area template or outside the hunters designated area, the hunter/team are not authorized to follow the trail to retrieve the animal. The hunter shall immediately contact RC to coordinate assistance or get permission to proceed; and
  - b. Last Light. Should the small game be lost at last light, hunters shall immediately contact range control and notify them of the situation. RC will allow the hunter to continue their recovery with timings at RC's discretion. Hunters shall ensure they are capable of communication with RC after sunset.

#### HUNTING TIMINGS

7. The following regulations apply when travelling to and from hunting areas:
  - a. Morning. A total of 2 hours travel time prior to sunrise is allotted to proceed from RC to hunting areas;

- b. Evening. When returning from the RTA, 1 hour after legal hunting hours is allowed to return to RC for all areas except for areas J1 & J2 which is allowed 1 ½ hours; and
- c. Legal Hunting Hours. Hunting hours are ½ hour before sunrise to ½ hour after sunset for all species/seasons except for spring turkey which is ½ hour before sunrise to 19:00.

### HUNTING COORDINATION

- 8. The only persons authorized to coordinate hunting scheduling, requirements, regulations, or lodge complaints with RC are the Hunting Director and the president of the BBRGC.

### VIOLATION OF BBRGC REGULATIONS

- 9. It is everyone's responsibility to report safety infractions. If for any safety related reason, a hunter is not comfortable hunting with another member, they shall immediately provide a written statement to the hunt directors or the BBRGC Exec with which they are most comfortable. Anyone caught violating the BBRGC Hunting Regulations will have their membership reviewed by the Executive Committee for revocation with no refund.
